**Help us spread joy to all this
Christmas!**

This year, we are again asking for your help to spread hope and joy to those that we support by becoming a Look Ahead Secret Santa!

Every pound received will be used for food, gifts and festivities for some of the most vulnerable individuals, families and children across our communities.

The more people that see our campaign, the greater chance we have of giving the people we support the Christmas they deserve.

SUPPORT US

- [Donate via our Just Giving page](#)

This year I'm supporting Look Ahead's Secret Santa Campaign.

Every pound received will be used for food, gifts and festivities for some of the most vulnerable individuals, families and children across our communities.

For many of the people Look Ahead support, they have no one else in their lives. Often Look Ahead are their only support, while others lack the means to provide their children with the happy Christmas that they deserve.
